Where luxury meets dreams

Artemide by Beauty Escape, is a courtesy line created for those seeking a sensory experience in harmony with nature. Developed in accordance with **Ecolabel standards** and enriched with a fragrance marked by green notes, this range is designed for properties that wish to offer guests a moment of restorative well-being, while making a tangible commitment to **eco-sustainability**.

Artemide

Nature touch

Nature touch is a **radiant and fresh** fragrance that opens with top notes of green leaves and blackcurrant buds, evoking the vitality of foliage after rainfall. At its heart, the softness of freesia and water flowers conveys a sense of balance and clarity. Its base of white musk gently wraps the skin in a pure, silky softness, leaving a discreet and sophisticated trail.
