Where luxury meets dreams

With its floral bouquet enriched with notes of vanilla, the Fleur de lis fragrance offers a refined olfactory experience, inspired by the world of botanicals and the charm of Provence, in an elegant balance, the line combines **advanced cosmetic formulas** and **refined fragrances**, created to celebrate Italian excellence.

FLEUR DE LIS

Essence provence

Essence provence, the opening releases delicate notes of cardamom, rose, and star anise, creating a refined and luminous beginning. At the heart, violet, jasmine, and orange blossom intertwine in a **harmonious** and **sophisticated bouquet**. The amber base, enriched with patchouli and vanilla, gives depth and persistence to the fragrance, leaving a warm, enveloping, and timeless trail.
